

MARCH INTO ART 2010

What is MARCH INTO ART?

During the month of March, Brickton Art Center will be offering a variety of special art workshops for two reasons:

1. There are no regularly scheduled classes due to the seasonal schedule we follow.
2. It is a fundraiser for Brickton because we are a charitable 501 (c)3 organization—we are NOT part of the Park District.

Fundraisers like this are vital to our organization—especially during these difficult economic times.

Each workshop is \$15 or for \$20 buy one of our March into Art raffle tickets and get one workshop and a chance to win \$500 in cash and other great prizes (see form on back for more information).

Please call or drop by Brickton Art Center to reserve your spot in each workshop. Space is limited so call today! 847.823.6611 or check www.bricktonartcenter.org for more info. Ask about the 6 for \$100 deal!!
